	So, you want people to vote for more
	taxes, to build something that has
	minimal herefit (to me, ot least). And to
	make it worse, I have to pay a toll
	on top of those new taxes.
	Please, scrap the toll, and just add
	it to the tax package. The total
-	tax package will be so big, the small amoun
	for the tolls will just be a blip of
	an increase,
